## About us

---

Anand Popatia was born in Porbandar and educated at St. Peter's School in Panchgani. He earned a Bachelor's degree in Civil Engineering from L.D. College of Engineering, where he began his mission to innovate in construction. In 1996, he started his practice in Porbandar, focusing on creating buildings integral to India's landscape.

Under his leadership, Arcons Group has developed a diverse portfolio, including luxury residential developments and grand bungalows.

Combining modern innovation with classical wisdom, he earned a diploma in Vedic Vaastu from the Institute of Vedic Vaastu and Research Foundation in Indore. This allows Arcons Group to design harmonious spaces with Vedic principles. As a CBDT-registered valuer, Popatia emphasises the value of construction. Arcons Group's philosophy promotes a collaborative approach, incorporating insights from all stakeholders.
